

Avoid Surprise Medical Bills

Print these, cut them up and place them any place you think you might need them in an emergency - wallet, glove compartment etc. Remember instead of signing their consent, make them print it out, cross out the financial section, copy this one, word-for-word, and sign it.

Superseding other consents, I consent to responsibility (including insurance) for up to 2 times Medicare following receipt of an itemized bill for appropriate treatment.
